Sir,

You are well aware that Tripura with your active support is being migrated from erstwhile ePDS to RCMS Application for Beneficiary Management. Also, we had long been requesting for activation of Online G2C services in ePDS (and now in RCMS) for Ration Card management functionalities w.r.to Members (Addition, Deletion, HOF change, UID Update, Beneficiary-name correction) & Families (Separation/ Shifting of Family).

2. Also, we are looking for a functionality to receive and examine Online requests for New/ Surrendering/ Shifting of Fair Price Shops.

3. Therefore, I am requesting you to kindly provide the aforesaid Online provisions in RCMS, at the earliest.

Yours faithfully,

(H. Debbarma)
